## Camping Locations Booking Terms

All bookings are nominative and can not, under any circumstances, be assigned or subleased. The customer will enjoy the location "in good father". He will have to read the rules of procedure.

### 1- CANCELLATION :

For any cancellation, we request an email confirmation of the address by which the reservation request was made.

If the cancellation is received by giving 3 month notice, the deposit will be refunded minus the booking fees.

If it is received after, neither the deposit nor the expenses of file will be refunded.

Any delay not reported 48 hours before the arrival date systematically cancels the booking and results in the loss of the deposit and fees and the location rented.

If you have booked your stay and decide to leave before the date on which you have committed, a three-day absence will be retained.

### 2- PAYMENT :

The booking of a location is effective only after written confirmation from us upon receipt of a deposit of € 70.

The balance of the stay is payable in full on the day of your departure.

Holiday checks are accepted for payment of the balance and in no case for the deposit and they must be in the name of the reservation.

The Management declines all responsibility in the event that adverse weather conditions result in the removal of certain services or certain events. In no case, these bad climatic conditions will give rise to any reduction or refund, integral or partial.

### 3- ARRIVAL AND DEPARTURE :

Your pitch will be available from 12H until 21H the day of your arrival and you are invited to vacate the premises before 12H the day of your departure.

### 4- DEPOSIT :

In order to be able to identify you and to be able to access the services, we will give you bracelets as well as a BIP.

A deposit of € 30 will be required and returned upon departure if the loaned items are returned.

### 5- MAINTENANCE :

We ask you to be conscientious and think of those who will occupy the place after you.
